**History:**

Flight 22 Showcase Basketball Team originally began in 2000 with the original name being the Wilmington Warriors. Since 2000, we have coached areas best basketball players from area high schools and helped get players much needed exposure for college basketball. To date, we have helped 50+ players reach Division I basketball, and 40+ Division II. Such Division I players who have played for us are Cedric Simmons NC State, Tyler McDaniels Chicago State, Joseph Harris Coastal Carolina, Cole Dewey Campbell University, Stan Johnson Western Carolina, Kris Clark Utah State, Jason Battle Cornell University, Jason Aycock UNC Wilmington, Elijah Wilson Coastal Carolina, DJ Mason Campbell University, Stilman White University of North Carolina, Rian Holland Wichita State University and Ricky Council IV Arkansas.

- ***Our players have gone on to play in and among the nation's best college basketball programs in addition the NBA***

**Goals:**

We try to get area players to earn full athletic scholarships via basketball. It is imperative to get these players out in the recruiting period.

It is very expensive to pay for tournament registration fees, hotel stay, and travel. Your gift allows for this to happen and to just concentrate on basketball

**Please help us help these young men in their future educational and athletic endeavors.**
